Extra information

Name of activity	Blurb
Warhammer club	Warhammer club provides students with the chance to build, design, paint and battle their own figurine based armies. Skills students will gain include: Numeracy skills, strategic thinking, team work, independence, Art and design skills, hand eye co-ordination and logical thinking.
Meet Pogo	Come and meet our school pet Pogo the Bearded Dragon!
Science Club for Y7 and Y8	Come and take part in some fun and exciting science experiments. You can make jelly babies scream and make slime crawl and grow crystals! Students will have an opportunity to do extra science experiments that they may not do in lessons and will be able to apply their knowledge from their lessons to these experiments. Skills students will gain include: Scientific thinking, group work and practical skills.
Card Games Club	Come to play Yu-Gi-Oh!, Pokemon, Magic: The Gathering and other card games! Bring your own cards! Skills students will gain include: mental arithmetic and processing sets of careful instructions.
Young enterprise for Y12	Students given the chance to set up their own business and enter the YE competition. Skills students will gain include: Business skills, social skills and real life experiences.
Screenwriting for Film and TV	Giving students an introduction into writing for film and TV. Each week there will be a different topic such as “building characters” or “what is a scene”, we will then look at extracts from films and TV and then give the students a task to do based around the topic and feedback at the end of the session. This is great for students studying media, drama, or just have an interest in creative writing. The skills they will gain will be a broader knowledge of film and television, how to SHOW rather than tell, how to improve all aspects of their creative writing.
KS3 Dance Club	A fun way to extend and learn new dance skills
Shakespeare Schools Festival	JCoSS Drama Company rehearsals for The Shakespeare’s Schools Festival.
GCSE Art Club	For students in Year 9 -11 to work on their GCSE Coursework.
Art Club	A chance to use the other side of your brain! Each term there will be a specialist skill explored with one of the Art Teachers. This could be from Felting, Textiles, Henna or even Pottery! Skills students will gain include: Experimenting, taking risks, exploring art and design that they may not experience during a normal timetabled lesson.
KS4/KS5 Statistics Catch Up Clinic	This Club aims to support GCSE and A Level students with their Maths queries and helping them with past exam paper questions . Skills students will gain include: exam Skills, Problem solving and reasoning.
Manna from Heaven	Baking for the homeless
Israel Club	Israel themed fun activities
Team Tikkun	Social Action Committee
Mincha/Lunch and Learn	Prayer and learning
