

Staff wellbeing: 75* things we do

*and counting

Teaching & learning & assessment

- No graded or high-stakes lesson observations
- T&L policy shaped by faculty areas
- Constant review of assessment policy
- Constant review of data input
- Clear feedback policy supports teachers in marking strategically
- No expectation to provide lesson plans
- No expectations to include specific elements in lessons
- No pressure to put on a 'show' lesson. A culture of typicality is being embedded, reinforced by no grading and regular Learning Walks involving both Senior and Middle Leadership
- Rarely cover agreement
- Reports to parents use statement banks
- Staff are encouraged to take risks to increase joy in classrooms

Menschlich behaviour

- Consistency of expectations of student behaviour and menschlichkeit supports staff
- Clear system of rewards and sanctions
- Daily centralised detention for low level behaviours run by senior staff
- Weekly after school detentions run by senior staff
- Senior staff visible on corridors, which are 'owned' by staff
- Senior staff on break and lunch duty
- Call out system involving senior staff includes visits to cover lessons to support behaviour management
- House system encourages positive competition and promotes menschlichkeit

Professional development

- Individual CPL provided to ensure staff are able to progress
- Opportunities for leadership of CPL both internally and externally
- Culture of collaboration eg staff Input into SIP
- Targeted coaching for teachers who wish to develop their practice (Teacher Development Programme)
- Line management of all post holders
- INSET Day is devoted to Appraisal to support teachers' development.
- Twilights in place of two INSET days, with school closing early to maximise staff energy levels
- Shared responsibility for data target in Appraisal
- Staff library of professional resources available to borrow from the LRC
- All senior staff trained in Safer Recruitment
- Regular training in Safeguarding and Health & Safety
- Practical support and financial assistance where possible for further study eg Masters or PhD
- Exit interviews with a governor
- Union reps have regular meetings with Head
- Comprehensive support and guidance for NQTs
- Comprehensive programme of preparation for ITT
- Access to professional qualification eg NPQML, NPQSL, SLE etc
- Career development opportunities

Work hard, play hard

- Wellbeing Team meets regularly, led by a member of SLT who also reports to Governors' Personnel committee
- Annual survey to monitor the wellbeing of staff
- All staff able to make appointments to see Headteacher
