

➤ School Experience Days 2020

We normally invite prospective trainees to come and spend a day with us at JCoSS to experience the school in action; to hear how about training opportunities; to observe lessons and to talk to experienced staff in your subject area. However due to Covid-19 restrictions we are currently unable to offer this experience. Please explore our website instead which will offer a flavour of the school.

Feel free to contact Kate Lightman to discuss what teacher training opportunities we offer at JCoSS and to find out more about the school: klightman@jcross.barnet.sch.uk

Applications will need to be supported by some evidence of working in school or with young people. If you haven't previously worked in a school, experience of helping with a sports team, drama group or youth club may be used.
