

Virtual Extra- Curricular Clubs @ JCoSS

Club	Description	Teacher
Science Club	Being involved will challenge and excite you about science and will be a great way to pursue interests as well as discovering new ones! What you can expect from science club is: weekly activities, at-home practicals, recorded lab practicals only done by higher years, interesting video and article links, a monthly science newsletter and more. We will also be setting challenges with rewards for the winners!	Miss Meisel & Sixth Formers
Student News Paper Team	Do you love writing and photography? Are you looking for a career in journalism? Then join the JCoSS school newspaper today! As a member of the team you will get a first-hand experience of the journalism world, with exciting interviews, amazing experiences and much, much more in store. Unleash your imagination and join the JCoSS school newspaper today.	Miss Meisel
Classics Club	Enrich your experience of the modern world, and find out how Classics underpinned the work of Shakespeare, Freud, Picasso and many others. Join Classics Society for a weekly Teams activity (that you can do at any time). We'll look at topics including literature, history, philosophy, science, art and architecture. No Classical knowledge required or assumed!	Mr Arden
Law Club	Join Law Society for a weekly Teams activity (that you can do at any time). You'll be answering questions like these: - What are laws for? - How are laws made? - What's it like to study law? - How much do lawyers really get paid? AND - Why haven't I read the 342 pages of the Coronavirus Act 2020 already?	Mr Arden
Express yourself	Live every day 3:20- 3:30 Students may Join us for 10 minutes of music, a bit of fun and challenges to get their mind and body active.	Miss Curtis
Drama Club (Year 7 & 8)	Year 7 –Thursday Lunch 1:30- 2:20 Year 8- Monday Lunch 1:30- 2:20 Shake of the lockdown blues with some fun drama and improv games. If you fancy yourself as the king of splat or a wizard of wink murder then this club for you. I will be adapting some drama classics and creating new fun drama games for you to enjoy and express yourself.	Mr Brooks
Live Work Outs	Hi! My name is Leah Sholem, I'm in year 12 and part of the head student team! I thought as part of the extra-curricular club session, that it would be a great idea to run some workout sessions, I feel this would be an amazing opportunity for students to let out some energy and gain some motivation and extra exercise! From experience, I think that it would be best to have these sessions with small groups of people who are friends/ or know each other as this would mean all students will feel comfortable to have cameras on! Cameras are such an important part of exercising with someone online, as it will enable me to see if what you are doing is correct so you don't injure yourselves!	Miss Meisel & Sixth Formers
